IMPORTANT INFORMATION ABOUT YOUR PAST DUE TAX BILL

GENERAL INFORMATION

This bill is for current and prior year(s) taxes which are unpaid.
Unpaid balances are subject to a 1.5% per month late penalty.
Please check the late payment table to determine the proper amount to pay based on the date.
Failure to receive your bill, or receiving it late, does not relieve the taxpayer of late penalty.
Tax bills are available online under the Report/Forms tab at tax.sangamonil.gov.
Payments will be deposited when received and third-party checks are not accepted.
A \$25 charge will be assessed for all insufficient funds transactions.
Insufficient funds transactions will be referred to the States Attorney's Office for collection.

Contact the Treasurer's Office for information on cards accepted and fees.

WHAT HAPPENS IF YOU DO NOT PAY

Past due taxes will be sold at a Tax Sale if not paid prior to the deadline listed on the bill.

The tax sale process and collection procedures are governed by State of Illinois law.

State of Illinois law does not allow for payment plans to pay past due taxes.

The sale of the taxes will greatly increase the amount owed. In addition, the property owner could lose their property if the amounts are not paid within the "redemption period".

At the tax sale, a "tax buyer" will pay the taxes, tax sale fees, and interest on the unpaid tax to the County Treasurer.

The tax buyer will receive a tax sale certificate giving the tax buyer the right to charge you up to 9% interest added every 6 months on the sale amount.

The tax buyer also has the right to pay subsequent year's taxes, fees and interest and add it to the amount owed.

The tax buyer will charge 12% interest added every 12 months on the subsequent amounts.

Failure to pay all amounts owed can result in the tax buyer applying to the courts to take a tax deed to the property.

After receiving a tax deed to the property, the tax buyer may evict anyone occupying the property through the eviction process.
